IMIA NI Global Webinar

Hosted by:
SLOVENIAN NURSING INFORMATICS INTEREST GROUP

Repeated two times:
- 29 September 2022, 20:00 (CET)
- 30 September 2022, 6:30, (CET)

Dear All,

International Medical Informatics Association – Nursing Informatics Special Interest Group (IMIA NI) is launching a series of global webinars starting with the webinar titled "**Workforce empowerment for future challenges**", organized by the Slovenian Nursing Informatics Interest Group in collaboration with IMIA NI.

The event will be opened by the representatives of the Nurses and Midwives Association of Slovenia, Monika Ažman and Anita Prelec, and by three keynote speakers, experts in the field of nursing informatics: Diane Skiba, Patrick Weber, and Uroš Rajkovič. The webinar will continue with a panel discussion, where Ann Kristin Rotegård, Margie Kennedy, Michelle Honey, Nick Hardiker, Joy Lee, Boštjan Žvanut and all workshop participants will discuss the challenges of empowering nurses in the field of nursing informatics. In the last part of the webinar, discussion about the topic in smaller groups will take place. The findings will be shared at the end, along with suggestions for future development.

The webinar will be led by Boštjan Žvanut, the president of the Slovenian Nursing Informatics Interest Group. Due to different time zones, the webinar will be repeated as two events:
• 29 September 2022, 20:00, Central European Time (CET), OR
• 30 September 2022, 06:30, Central European Time (CET)
The webinar is free of charge.

Please find attached the final programme on the following page. To participate in this free two-hour webinar, **please register your interest by Monday, 26 September 21, 2022** by completing the form at this link:
https://forms.gle/dSFbZkR8cXGDN1Qb7

You will be asked which of the two dates and time you would like to attend (see above). The link to the webinar will be sent to you one day before the first event, i.e., by Thursday, 28 September.

Bostjan Zvanut

P.S. You are kindly asked to forward this message to all interested audience.
